

Handling agent - Flight dispatcher

Ecole Nationale de l'Aviation Civile

[Handling agent - Flight dispatcher](#)

The Handling agent or Flight dispatcher is in charge of flight preparation and planning, support to freight, passenger management, ground handling, planning crews etc.

Handling agent or Flight dispatcher

The Handling agent or Flight dispatcher works within airlines or organizations responsible for the commercial management of airports.

Main tasks:

- Flight Preparation and planning: calculating fuel requirements, maximum takeoff weight, study of flight performance, choice of route, load and balance ...
- Supervision of the processing of passengers and freight, loading management
- Writing technical documents for airline consultants

ENAC offers training via apprenticeship which is delivered entirely in French.
