[Sport at ENAC](#)

Physical activities and sport are an integral part of ENAC student life and training. They contribute to the student's sense of well-being by the development of motor, methodological and social skills. ENAC offers a rich and varied selection of sports activities, through a range of associations managed by school services and by students.

Sports Office (Bureau des Sports - BDS)

The Sports Office is a teaching service run by ENAC physical education and sports teachers which organizes all sports activities and in particular :

- Compulsory sports lessons
- Training sessions and university competitions in partnership with the French Federation of University Sport (FFSU) via ASENAC
