

GIFAS-ENAC International Scholarship Programme

Application Form

GIFAS, the French aerospace industries association gathers more than 369 members from major prime contractors and aerospace systems suppliers to small specialist companies. They cover the full spectrum of skills from the design, development and production of aerospace systems and equipment to maintenance and operation.

Activities extend from civil and military aircraft and helicopters to engines, missiles and armament, satellites and launch vehicles, plus aerospace, defence and security major systems, equipment, subassemblies and associated software.

1 GIFAS-ENAC International Scholarship Programme

GIFAS Financial Aid

The **ENAC Foundation** has set up an international scholarship programme funded by GIFAS, to support international students admitted in advanced masters, Masters of Science and the Graduate Engineer's degree of ENAC.

This programme is intended to promote academic excellence, access to French aeronautical education and exposure to the French Aerospace industry.

It intends to partially cover tuition fees for talented students enrolled in one of ENAC's postgraduate programmes:

Advanced Masters

- MS ANSEO - Air Navigation System Engineering and Operations
- MS ASAA - Aviation Safety Aircraft Airworthiness
- MS ATM – Air Transport Management
- MS AM- Airport Management
- MS SMA – Safety Management in Aviation

Masters of Science

- MSc AS-NAT – Aerospace System – Navigation and Telecommunications
- MSc IATOM – International Air Transport Operation Management

Ingénieur ENAC - Graduate Engineer MSc degree

Scholarship covers part of tuition fees, up to 6 000 euros.

7 avenue Edouard Belin - CS 54005 - 31055 Toulouse Cedex 4
Tél. + 33 (0) 5 62 17 40 00 - Fax + 33 (0) 5 62 17 40 23
www.enac.fr

Etablissement public (EPA) sous tutelle du ministre délégué auprès de la ministre de l'Écologie, du Développement durable et de l'Énergie,
chargé des Transports, de la Mer et de la Pêche - Direction Générale de l'Aviation Civile. 

2 Eligibility and admission requirements

These scholarships will be awarded to applicants admitted in one of ENAC's above mentioned post-graduate programmes based on criteria that include:

- Academic excellence
- Motivation for a career in Aviation, Air Transport, Aeronautics or Space industry
- Demonstration of outstanding motivation in extra-curricular activities
- Communication and team working skills
- Impact of the scholarship on the applicant's capacity to achieve its goals

Proficiency in French is not mandatory but will be a positive addition to an applicant's file.

Students who already receive a scholarship from the French government or who are sponsored by their employer are not eligible to this programme.

Age: candidates must be under the age of 31 in the year in which they are selected.

Programme beneficiaries are selected by a scholarship committee composed of representatives of GIFAS, ENAC and the ENAC Foundation.

The scholarship committee draws up a list of selected applicants.

The scholarship committee's proceedings are not made public, its decisions are final and no reasons shall be given for the decisions made with no possible appeal.

Formal confirmation of the enrolment of recipients in a relevant ENAC postgraduate programme is a condition for the scholarship attribution.

Deadline for application

All application forms must be received by ENAC before 15 March 2017.

Notification of awards

Recipients of the GIFAS-ENAC International Scholarship Programme will be individually notified by letter or email shortly after the selection committee's meeting.

3 Personal Data

Family Name/Last Name:

Given/First name(s):

Gender: Female Male

Date of birth (dd/mm/yyyy):

Place and country of birth:

Nationality:

List activities in which you participated: (clubs, extracurricular, sport, civic, professional, etc.)

Leadership positions held (academic, professional, civic, athletic, workplace, etc.)

Documents to provide in support of your application:
